

HADDON TOWNSHIP SHADE TREE COMMISSION EXPEDITED STREET TREE PRUNING PERMIT

(1/7/2010)

Property Owners and Contractors: Pruning of Township Street Trees does not require written authorization prior to the work as long as the work is performed according to the following guidelines. It is incumbent on the property owner to ensure that pruning is done in such a way that the health of the tree is not adversely affected. Any variance from these guidelines which results in harm to the Township street trees may result in fines for noncompliance.

Questions regarding this permit process can be directed to shadetrees@haddontwp.com or 856-854-1176 ext. 4200.

- Pruning Contractors have adequate liability insurance
- Pruning is performed according to the standards described by the International Society of Arboriculture (ISA)
